## Bill's "Power Team" is: Your "First Generation" "Dream Team"

### Bill wants the bonuses and is building fast!!!

Two key questions always seem to come up over time and I thought I should address them both right here --- right now.

How much can I make?

How fast can I make it?

First, for the record, let me state right up front --- a lot depends on how much effort you want to put into it. That's true in any business, right?

But here's some good news...

Our pay plan was **designed by distributors for distributors** to ensure long term healthy growth in your business. It is designed for depth which experienced pros appreciate ...yet has plenty of bonus features built in for people who are new to Referral Marketing.

For the experienced pro - you want to know it pays you a **“Fast Start” Bonus** for “anyone” who is enrolled in your group to infinity, whether you enroll them or someone else does.

There is a **weekly 50% matching bonus** on each of your personal enrollees. Whatever “they” earn in a week...you earn an additional 50% matching check!

For **every six people joining your “Power Team”**, whether you or some one else enrolls them, **you receive \$1300-\$1600**. That's **every time**, there is 6: 6, 12, 18, 24 etc. When you reach 100, and every time you reach a new 100, **you receive an additional \$10,000 bonus!** Plus, there is world-wide **profit sharing**, and other **cash bonuses**, ranging from **\$50,000 to \$1,000,000! Yes, it's true!**

Helping 6 people, you personally enroll, can earn you more money in a short period of time than most people are earning working for some else, full time --- just 6. Imagine!

Basically what this means is you are encouraged each step of the way to help the people you introduce to this wonderful company, and extravagant pay plan.

The matching bonus gives you even more incentive to help your personal referrals succeed!
